Jesuit Education had made us men for others.

We are to make Wah Yan better, and to facilitate old boys helping our juniors. We have a responsibility to the future generations of Wah Yan.

Keep 100% of what you raise. If you need \$ 10,000 on a dream project but have only raised \$9,000, no problem! You can still keep what you have raised and our expert panel may consider whether to fund you the rest.

We're responsible to donors with 100% transparency on funds usage. We are different from traditional funding raising projects. If a young person has a project in his mind, we will bridge online giving to down-to-earth execution. You will see how it works and what progress has been made so far.

## OVERVIEW & OBJECTIVES

The Magis Foundation Limited 華仁夢飛翔基金會有限公司 (the "Foundation") was founded by a group of Wahyanites (Class of 1992) on 28 June 2017 in Hong Kong under the Companies Ordinance.

The word "Magis" is a Latin word, meaning

"DOING MORE FOR OTHERS".

---

## THE OBJECTIVES OF THE FOUNDATION ARE:

- +
  - +
  - +
- to provide support, both financial and non-financial, to young people on projects that could help them realize their dreams and develop their potentials;
- to promote the advancement of education and the relief of poverty, distress and sickness;
- to institute, establish and promote non-profit making lectures, courses, conferences, meetings, talks, exhibitions, concerts, bursaries, scholarships, grants, awards, prizes and/or maintenance allowances to promote education and research in culture, humanities, science, music, literature, law, sociology and/or geography in Hong Kong and/or elsewhere particularly for objects related to Wah Yan College, Kowloon, that the Foundation may think desirable for the promotion of its objectives.

## MESSAGE FROM THE FOUNDING CHAIRMAN

To prospective donors and dreamers:

We are all born equal. Yet we are not endowed with or can get access to the same level of resources to unlock our potentials or to fulfill our dreams. We are all so lucky to have Jesuit Fathers, guidance and nurture by Wah Yan that turns many of us from an ordinary one, to one that we are now. Many of us are now men-for-others in the community that are willing to give back more. We wish this Wah Yan culture to go on and live long.

We give back, in a different way. We want to give back to our school in a way that we can positively influence the younger generation of Wah Yan. We wish this give-back process, by itself, is also a demonstration of how Wah Yan Old boys can directly involve in guiding and foster them towards fulfilling their dreams. Outcome is transparent.

Wah Yan Boys, you all have your dreams. Voice it out loud and make it be heard on this platform. Publicize your dreams and you will get your mentors and coaches. Magis Foundation will do the matching between donors and dreamers "D2D". This will be the first O2O charity platform to match needies to the resources, think big then get it done. This is a direct and transparent charity platform exclusive to Wah Yan.

BY THIS SIGN,  
YOU WILL  
CONQUER.

We founded The Magis Foundation for YOU. This foundation is a tribute to our beloved Jesuit Fathers and teachers. Looking forward, we wish those who are being benefitted from this scheme will do the same to the younger generation of Wah Yan, making this D2D charity model a sustainable one.

## IMPLEMENTATION OF OUR GOALS

In early September each year, the Foundation will openly invite applicants to put their dreams plan to us thus we do the screening before the plan is put onto the platform. This can be anything, e.g. to pursuit a soccer career overseas, to get prepared to be a biologist, to produce a movie.

Applicants must submit a detailed proposal (either in English or in Chinese) to the Foundation.

A review panel to be appointed by the Board of Directors amongst our expert panel would determine, assess on the suitability and decide whether to grant, bearing the Foundation's objectives in mind.

Members of the Foundation may be designated by the Board of Directors to serve as their mentors / advisers to provide guidance and support to the successful applicants in the implementation stage of their projects.

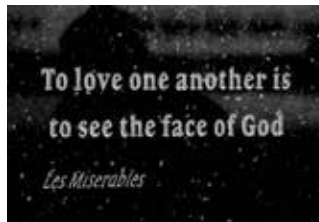

Up to **HK\$100,000** sponsorship could be granted each year.

Our beloved **FATHER DEIGNAN** was delighted to see the establishment of The Magis Foundation.

"TRUST IN THE LORD, HE WILL LOOK AFTER YOU," he said to us.
